Smuxi - Bug # 542: setting of away/unaway messages

Status:	Closed	Priority:	Normal
Author:	Bianca Mix	Category:	Engine IRC
Created:	11/06/2010	Assigned to:	Mirco Bauer
Updated:	12/07/2011	Due date:	
Complexity:	Low	•	
Found in Version:			
Subject:	setting of away/unaway messages		
Description:	Smuxi is always setting an unaway message even if the server didn't yet set the away. This happens when a connection is lagging. Either the server does only set the away if the connection is closed in a proper way or Smuxi is not querying whether an away has been set before (or both).		
	Below is he history of server tab. Showing one properly closed connection and various reconnects with the unaway messages. -!- Day changed to Friday, November 05, 2010 18:31:39 -!- You are no longer marked as being away-!- Day changed to Friday, November 05, 2010 18:31:39 -!- You are no longer marked as being away 23:55:51 -!- You have been marked as being away -!- Day changed to Saturday, November 06, 2010 10:20:03 -!- You are no longer marked as being away 11:34:24 -!- You are no longer marked as being away 11:50:18 -!- You are no longer marked as being away
