

Smartlrc4net - Bug # 615: IPv6 support

Status:	Closed	Priority:	Normal
Author:	Gabriel Ebner	Category:	
Created:	07/30/2011	Assigned to:	Mirco Bauer
Updated:	12/25/2011	Due date:	
Subject:	IPv6 support		
Description:	<p>This patch modifies <code>IrcConnection.Connect()</code> to support IPv6 connections to dual-stack IRC servers.</p> <p>Currently <code>.Connect()</code> will only try the first DNS entry it finds; this patches uses the <code>TcpClient(string, int)</code> constructor to try all DNS entries.</p>
