

Smuxi Issues [FROZEN ARCHIVE] - Bug # 620: Escaping characters

Status:	New	Priority:	Normal			
Author:	Bheesham Persaud	Category:	Engine			
Created:	08/17/2011	Assigned to:	Mirco Bauer			
Updated:	09/24/2011	Due date:				
Complexity:	Low					
Subject:	Escaping characters					
Description:	I'm not allowed to use the character " when adding content to the On Connect commands.					
<p>Example:</p> <pre>_/msg BOTNAME LOGIN "username" "password" _/join #special_</pre>						
<p>Result:</p> <pre>_/msg BOTNAME LOGIN_</pre>						
<p>Be sure to restart the program.</p>

- Category changed from Common to Engine
- Target version deleted (0.8)
- Complexity set to Low

This seems to be a limitation of the INI file parser used, it uses " to mark the beginning and end of the value. Unfortunately it doesn't seem to have any escape character for it, see:

<http://nini.svn.sourceforge.net/viewvc/nini/trunk/Nini/Source/Ini/IniReader.cs?revision=242&view=markup#l424>

Smuxi could replace the " character with something else and replace it back when reading the config...
