

## Smuxi - Bug # 620: Escaping characters

<b>Status:</b>	New	<b>Priority:</b>	Normal
<b>Author:</b>	Bheesham Persaud	<b>Category:</b>	Engine
<b>Created:</b>	08/17/2011	<b>Assigned to:</b>	Mirco Bauer
<b>Updated:</b>	09/24/2011	<b>Due date:</b>	
<b>Complexity:</b>	Low		
<b>Subject:</b>	Escaping characters		
<b>Description:</b>	I'm not allowed to use the character " when adding content to the On Connect commands.  Example: _ /msg BOTNAME LOGIN "username" "password" _ _ /join #special _  Result: _ /msg BOTNAME LOGIN _  Be sure to restart the program.		

### History

**08/17/2011 10:10 PM - Mirco Bauer**

- Category changed from Common to Engine
- Target version deleted (0.8)
- Complexity set to Low

This seems to be a limitation of the INI file parser used, it uses " to mark the beginning and end of the value. Unfortunately it doesn't seem to have any escape character for it, see:

<http://nini.svn.sourceforge.net/viewvc/nini/trunk/Nini/Source/Ini/IniReader.cs?revision=242&view=markup#l424>

Smuxi could replace the " character with something else and replace it back when reading the config...
