

Smuxi - Bug # 620: Escaping characters

Status:	New	Priority:	Normal
Author:	Bheesham Persaud	Category:	Engine
Created:	08/17/2011	Assigned to:	Mirco Bauer
Updated:	09/24/2011	Due date:	
Complexity:	Low		
Subject:	Escaping characters		
Description:	I'm not allowed to use the character " when adding content to the On Connect commands. Example: _/_msg BOTNAME LOGIN "username" "password"_ _/_join #special_ Result: _/_msg BOTNAME LOGIN_ Be sure to restart the program.

- Category changed from Common to Engine
- Target version deleted (0.8)
- Complexity set to Low

This seems to be a limitation of the INI file parser used, it uses " to mark the beginning and end of the value. Unfortunately it doesn't seem to have any escape character for it, see:

<http://nini.svn.sourceforge.net/viewvc/nini/trunk/Nini/Source/Ini/IniReader.cs?revision=242&view=markup#l424>

Smuxi could replace the " character with something else and replace it back when reading the config...
