Smuxi Issues [FROZEN ARCHIVE] - Feature # 662: Automatically switch to user requested chat windows

Status:	New	**Priority:**	Normal
Author:	Mirco Bauer	**Category:**	Engine
Created:	12/15/2011	**Assigned to:**	Mirco Bauer
Updated:	12/15/2011	**Due date:**	
Complexity:	High		
Subject:	Automatically switch to user requested chat windows		
Description:	Smuxi should switch the current chat to newly created ones if the user requested it. For example if the user executes /join #smuxi it should automatically switch to that chat window. This will need a new API that either contains a flag that the chat window as requested by the user (frontend) or the engine needs to be able to change the current chat with a ChangeCurrentChat() push event.
