Smuxi Issues [FROZEN ARCHIVE] - Feature # 68: Allow tabs to be reordered

Status:	Closed	Priority:	Normal
Author:	alex-launi-gmail-com -	Category:	Frontend GNOME
Created:	07/22/2008	Assigned to:	Mirco Bauer
Updated:	07/27/2008	Due date:	
Subject:	Allow tabs to be reordered		
Description:	The channel tabs should be able to be reorderable either by ctrl + shift + (pgup|pgdown), or dragging them to the correct position.		

History

- Status changed from New to Closed

- 1 set to wontfix

This feature contradicts with #54 and can not be synced with the frontends (after reconnect the order would be lost). Plan was to group the tabs behind the associated server page, thus setting to wontfix for now.

- Status changed from Closed to Feedback

- 1 deleted (wontfix)

Re-considered this feature. Allow re-ordering tabs besides automatic sorting can co-exist. The not retained sorting after a reconnect of the frontend will be a known limitation.

07/27/2008 01:46 PM - Mirco Bauer

- Status changed from Feedback to Closed

- 1 set to fixed

Implemented in SVN r332
