Subject:	Add a popup menu to nicks in the channel window		
Description:	It would be useful if one could right-click on nicks in the channel window to see the same popup menu one gets when clicking a nick in the nick list.

- Target version set to 0.8

This requires the UrlMessagePartModel to contain an alternative text to the URL, then the IRC engine can place either URLs with the nick as text or even better an Origin property in the MessageModel.
