

Smuxi - Feature # 788: Smuxi should save the increased send delay setting between engine restarts

Status:	New	Priority:	Normal
Author:	vith	Category:	Engine IRC
Created:	12/11/2012	Assigned to:	Mirco Bauer
Updated:	06/03/2015	Due date:	
Complexity:	Low		
Found in Version:	0.8.10		
Subject:	Smuxi should save the increased send delay setting between engine restarts		
Description:	Because the send delay setting is lost on restarts, users are not properly protected from Excess Flood disconnects, making #787 even worse. <pre>12:38:27 Closing Link: vith by gameservers.nj.us.quakenet.org (Excess Flood) 12:38:27 -!- Increased send delay to 2000ms to avoid being flooded off the server again.</pre>		

History

06/03/2015 10:49 PM - Mirco Bauer

- Target version set to TBD
- Complexity set to Low

Smuxi could try to save this information back to the config if the connection was initiated from a stored server in config.
