Smuxi - Feature # 823: Change interface colors (marker line, urls)

Status:	New	**Priority:**	Normal
Author:	islisis islisis	**Category:**	Frontend GNOME
Created:	03/16/2013	**Assigned to:**	Mirco Bauer
Updated:	05/30/2015	**Due date:**	
Complexity:	Medium		
Found in Version:			
Subject:	Change interface colors (marker line, urls)		
Description:	It would be nice to have some access to configure other miscellaneous interface colors (eg. red marker line), as well as other font colors (urls, server messages). Being able to change the default tab font color would also be nice.
