

Smuxi Issues [FROZEN ARCHIVE] - Feature # 84: disable timestamps

Status:	Closed	Priority:	Normal
Author:	Lycaon -	Category:	Frontend GNOME
Created:	07/29/2008	Assigned to:	Mirco Bauer
Updated:	08/22/2008	Due date:	
Subject:	disable timestamps		
Description:	<p>In the preferences tab -> interface -> Timestamp format, when changing the timestamp textbox empty, smuxi will print full date and time. Example: 7/29/2008 2:10:18 PM <lycaon> bladietla</p> <p>The purpose of changing the timestamp textbox empty was to disable timestamping. As you can see it didn't work, nor did i find a option for disabling/enabling timestamps.</p>

Hm never tested that. That's a missing feature then, that the timestamp format can be empty or make an checkbox that says no timestamps...
