<b>Created:</b>	01/22/2014	<b>Assigned to:</b>	Mirco Bauer
<b>Updated:</b>	01/22/2014	<b>Due date:</b>	
<b>Complexity:</b>			
<b>Subject:</b>	Allow each server a choice of not using a manually specified proxy		
<b>Description:</b>	I'd like a little checkbox in the server connections dialogue for 'Use configured proxy' if a manually specified proxy exists.  I need the manually specified SOCKS4 proxy for IRC, Gtalk and Twitter, but can't connect to my internal XMPP server for work chat.
