Engine-XMPP: fixed hilighting of /joinas nickname (closes: #958)

History

02/27/2014 01:00 PM - Martin Häckel

update: highlight-words in the options seem to work now, after restarting, but the own nick still isn't highlighted

- *Status changed from New to Feedback*

I can't reproduce this with neither Smuxi 0.10.1-dev from the stable branch nor Smuxi 0.11-dev from the master branch. Are you using the /joinas command to join the MUC?

03/22/2014 05:48 PM - Martin Häckel

Yes, I'm using the /joinas command. With the default nick, it works.
